RE: License #: DC730314823
Little People's Day Care

Saginaw, MI 48604

Dear Davana Harrison:

This letter is a follow-up to the Department's findings regarding the interim inspection conducted at your center on 09/01/2022. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Child Care Centers.

During the onsite inspection, I observed the child care staff members providing direct supervision of children napping during rest time upon my arrival. I observed safe sleep practices being utilized. I observed a child care staff member utilizing appropriate handwashing techniques and using the three-step process to clean the diapering area, as required. I observed one infant in a bouncer while the child care staff member was providing direct supervision. Caregiver interactions with children were positive and nurturing. Required records were organized and readily available.

As a result of the inspection, I did not find any rule or law violations.

You can find a copy of this inspection letter and any associated corrective action plans on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of when inspection letters are completed can be found under [Overview of Licensing Reports](#).

Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, please contact the local office at 517-284-9730.

Per MCL 722.113g, this report and any related corrective action plans must be filed in your Licensing Notebook.

Sincerely,
