Dear Ms. Betts:

This letter is a follow-up to the Department's findings regarding the interim inspection conducted at your center on 04/08/2021. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Child Care Centers.

As a result of the inspection, I did not find any rule or law violations.

During the on-site inspection, I observed caregivers providing direct supervision to children during free play activities. I also observed proper handwashing techniques being utilized before snack time. I observed caregivers, parents, and children during pick up time. Required records were organized and readily available.

You can find a copy of this inspection letter and any associated corrective action plans on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of when inspection letters are completed can be found under [Overview of Licensing Reports](#).

Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, please contact the local office at (989) 732-8062.

Per MCL 722.113g, this report and any related corrective action plans must be filed in your Licensing Notebook.

Sincerely,

A handwritten signature in black ink that reads "Mary Smith". The signature is written in a cursive, flowing style.
