Dear Ms. Irvin:

This letter is a follow-up to the Department's findings regarding the interim inspection conducted at your center on 11/17/2022. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Child Care Centers.

During the onsite inspection, I observed caregivers providing direct supervision of children napping during rest time upon my arrival. I observed safe sleep practices being utilized. I observed children engaged in literacy activities. I observed children engaged in arts and craft activities. I observed infants engaged in tummy time. I observed children finishing snack time. Caregiver interactions with children were positive and nurturing. Required records were organized and readily available.

As a result of the inspection, I did not find any rule or law violations.

You can find a copy of this inspection letter and any associated corrective action plans on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of when inspection letters are completed can be found under [Overview of Licensing Reports](#).

Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, please contact the local office at 517-284-9730.

Per MCL 722.113g, this report and any related corrective action plans must be filed in your Licensing Notebook.
