RE: License #: DC740022452
ABC/Algonac Childcare Program
9541 Phelps Rd
Algonac, MI 48001

Dear Ms. Bosel:

This letter is to advise you that the 12/09/2022 corrective action plan you submitted, regarding each rule violation cited in the recently completed Renewal Licensing Study Report, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
-----------------	------------------------	-----------------	----------------------

R 400.8152 (3) Medication; administrative procedures.	I observed there to two different nonprescription medications, an allergy medication and Benadryl, in a classroom. However, the medications were not labeled for a child.	All non-prescription medications will be labeled with the child's first and last name.	12/16/2022
R 400.8152 (4) Medication; administrative procedures.	I observe there to be an epi pen, as well as a diabetic pen, both of which are doctor prescribed medications, that did not meet the requirement of the rule. They did not have the pharmacy label that indicated the physician's name, child's first and last name, instructions, name and strength of medication.	The center will have the parents send in prescription medications with the correct labeling.	12/16/2022

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.

The office provides technical assistance to meet the licensing requirements and consultation to improve services. Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, you may contact the local office at (517) 284-9730.
