Dear Amanda PeGan,

This letter is to advise you that the 4/9/2024 corrective action plan you submitted, regarding each rule violation cited in the recently completed Child Care Follow-up Inspection Case, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
R 400.8143(6)(c)	I reviewed thirteen child files, and two children did not have a complete physical on file signed by a physician or his/her designee within thirty days of initial attendance.	The licensee designee stated that the center would obtain completed physical forms for the two preschool children who did not have current physical forms on file.	05/09/2024

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.
