RE: License #: DC750295555

**Sturgis, MI 49091**

Dear Ms. Cole:

This letter is a follow-up to the Department's findings regarding the interim inspection conducted at your center on 10/24/2022. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Child Care Centers.

The violations that were found are:

**R 400.8131 Professional development requirements.**

(12) When the department of licensing and regulatory affairs or the department of education publishes a notice that a new health and safety update document or a new health and safety update training activity has been published on MiRegistry, the licensee shall ensure that all personnel read and acknowledge the document or complete the activity within 6 month of the notice.

The program director and one child care staff member did not complete the health and safety training activities published in MiRegistry in 2020 and 2021 within 6 months of the notice.

On October 24, 2022, you gave us an acceptable written corrective action plan.

<b>During calendar year 2021:</b>	<b>Total</b>
Number of serious injuries that occurred in facility.	<b>0</b>
Number of deaths that occurred in the facility.	<b>0</b>
