Dear Toni Schiedel:

This letter is to advise you that the 06/28/2023 corrective action plan you submitted, regarding each rule violation cited in the recently completed Special Investigation Report, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
R 400.8140(1)	The center did not use positive methods of discipline that encourages self-control, self-direction, self-esteem, and cooperation. Ms. Wegner admitted that she had children run laps or write sentences as a form of punishment.	The licensee stated that she would no longer have children run laps or write sentences when they misbehave. The program director will inform all child care staff members of the policy and make sure no one uses that form of correction.	06/27/2023

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.

The office provides technical assistance to meet the licensing requirements and consultation to improve services. Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, you may contact the local office at (616) 356-0183.

Sincerely,

Carrie Harris
