Dear Toni Schiedel:

This letter is a follow-up to the Department’s findings regarding the interim inspection conducted at your center on 04/12/2023. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Child Care Centers.

During the on-site inspection, I observed 18 school-age children and two adults in the cafeteria. The children were engaged in free choice time and were playing board games, card games, coloring with markers, building with transparent tiles, and other table activities. The center was within their required capacity and ratio. I reviewed 10 child files and 6 employment files, and all were in compliance.

As a result of the inspection, I did not find any rule or law violations.

During calendar year 2022:	Total
Number of serious injuries that occurred in facility.	0
Number of deaths that occurred in the facility.	0
Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility.	0
