Dear Ms. Touchette-Soper:

This letter is to advise you that the 05/17/2022 corrective action plan you submitted, regarding each rule violation cited in the recently completed Interim Inspection Report, is approved.

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
R 400.8131(12) Professional development requirements.	Program Director Monique Touchette-Soper had not completed the 2021 Michigan Ongoing Health and Refresher training.	She acknowledged that she must have missed this training and agreed to complete once I emailed her the link.	
R 400.182(3)(c) Ratio and group size requirements.	At the time of the inspection, there were 12 children present in the classroom with Ms. Touchette-Soper and a 17-year-old child care aide (who cannot count in ratio). The youngest child in the room was 3 years of age, so therefore they were out of ratio.	Ms. Touchette-Soper agreed to follow all ratio requirements in the future.	May 17, 2022 and ongoing

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.
