Dear Ms. Hoff:

This letter is to advise you that the 05/04/2022 corrective action plan you submitted, regarding each rule violation cited in the recently completed Renewal Licensing Study Report, is approved.

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
R 400.8110(6) Applicant; licensee; licensee designee; requirements.	At the time of the inspection all of the staff's daily time and attendance were not being recorded.	Ms. Hoff stated that she would immediately make sure this is being recorded each time a staff person works.	05/04/2022

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#)

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.

Sincerely,

A handwritten signature in cursive script that reads "Lisa Gundry". The signature is written in black ink and is positioned below the word "Sincerely,".
