Dear Emily Jones:

This letter is to advise you that the 01/18/2023 corrective action plan you submitted, regarding each rule violation cited in the recently completed Special Investigation Report, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#)

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
R 400.146(3) Information provided to parents.	The center is not providing parents a written record each day of the infant/toddler's meals, sleeping patterns, elimination patterns and other daily behaviors.	The center is using the Procare app to document this. They use a paper backup when the app doesn't work. Emily Jones will monitor this daily.	10/12/2022 and ongoing
R 400. 8176 (6) Sleeping equipment.	On October 12, 2022, two children were sleeping in unapproved sleep equipment.	The center removed the play yard. All staff were retrained in safe sleep and documentation of this was emailed to the consultant. Ms. Jones will monitor this.	10/12/2022 and ongoing

Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, please contact the local office at (517) 284-9730.

Per MCL 722.113g, this report and any related corrective action plans must be filed in your Licensing Notebook.

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.

Sincerely,

A handwritten signature in cursive script that reads "Lisa Gundry".
