Dear Emily Jones,

This letter is to advise you that the 12/14/2023 corrective action plan you submitted, regarding each rule violation cited in the recently completed Inspection, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
R 400.8340(3)	At the time of the inspection, I observed several bottles without dates and several uncovered bottles.	The staff will label the bottles each day.	Immediately and ongoing.
R 400.8335(5)	Staff were making bottles onsite without a variance or medical approval. Bottles should be brought ready to feed.	Staff will ensure parents bring the bottles made, or they will seek a variance for this rule.	Immediately and ongoing.

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.
