Dear Ms. Lemire:

This letter is to advise you that the 08/08/2022 corrective action plan you submitted, regarding each rule violation cited in the recently completed Special Investigation Report, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
R400.8125 (1)	Child A was on the playground unsupervised.	The child supervision plan was reviewed and active supervision observations will occur.	Immediate and 2022-23 school year.
R400.8158 (2)(a)	The lost child incident was not reported to child care licensing for over two working days.	The program director reviewed the reporting timeframes with staff and the all staff meeting will review reporting requirements twice annually.	Immediate and at twice annual staff meetings.

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.

The office provides technical assistance to meet the licensing requirements and consultation to improve services. Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, you may contact the local office at (517) 284-9730.

Sincerely,
