You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
R400.8131	Required health and safety training was not completed.	Required health and safety training will be completed.	Ongoing
R400.8146	Licensing notebook information was not provided to school-age children's parents.	The parents will be required to sign for receipt of parent handbook that included the licensing notebook notification.	Ongoing

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.
