RE: License #: DC770253228
St. Francis de-sales Preschool
210 Lake St.

Dear Mr. Erickson:

This letter is a follow-up to the Department's findings regarding the interim inspection conducted at your center on 12/16/2020. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Child Care Centers.

As a result of the inspection, I did not find any rule or law violations.

During the inspection, I observed the children preparing for outdoor play and engaged in large motor outdoor activities. The facility has appropriate safety precautions and actions to maintain a healthy environment.

You can find a copy of this inspection letter and any associated corrective action plans on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of when inspection letters are completed can be found under [Overview of Licensing Reports](#).

Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, please contact the local office at (906) 226-4171 .

Per MCL 722.113g, this report and any related corrective action plans must be filed in your Licensing Notebook.

Sincerely,

A handwritten signature in cursive script that reads "Anne O'Neill".
