RE: License #: DC770253228
St. Francis de-sales Preschool
210 Lake St.
Manistique, MI 49854

Dear Ms. Burnis:

This letter is a follow-up to the Department's findings regarding the interim inspection conducted at your center on 09/20/2022. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Child Care Centers.

As a result of the inspection, I did not find any rule or law violations.

During the inspection, I observed children having snack in the preschool program, transitioning to the end of the day activities, the beginning of the after-school program, small group activities in the after-school program and outdoor play. The programs are very organized and well supervised. The updated sign in and out process is very clear to help keep track of children.

You can find a copy of this inspection letter and any associated corrective action plans on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of when inspection letters are completed can be found under [Overview of Licensing Reports](#).

Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, please contact the local office at (517) 284-9730.

Per MCL 722.113g, this report and any related corrective action plans must be filed in your Licensing Notebook.

Sincerely,

A handwritten signature in black ink that reads "Anne O'Neill". The signature is written in a cursive, flowing style.
