IV. Description of Findings and Conclusions

The terms of the original license have been modified on 06/26/2003, 05/12/2017, 10/26/2020 and 10/31/2022. Ms. Pouillon requested to add the Fellowship Hall and the Chapel as child use space for all ages to use. This will not change the capacity.

Noah's Ark Children Center is located in First United Methodist Church in Owosso, MI. The program offers full day preschool for children birth to school-age; Monday through Friday 6:15 AM to 6:15 PM year-round. The program also has a before and after school programs for school age children.

The approved space is as follows:

- Peppy Puppies Room measures 26 ft. x 20 ft., providing a total of 520 square feet. Based on 35 square feet per child, the total capacity of this room is 15 children aged 30 months and above.
- Bouncing Bears Room measures 29 ft. x 20 ft., providing a total of 580 square feet. Based on 50 square feet per child, the total capacity of this room is 12 children aged birth to 30 months.
- Little Quackers Room measures 23 ft. x 20 ft., providing a total of 460 square feet. Based on 50 square feet per child, the total capacity of this room is 9 children aged birth to 30 months.
- Little Lambs Room measures 20 ft. x 19 ft., providing a total of 380 square feet. Based on 50 square feet per child, the total capacity of this room is 8 children aged birth to 30 months.
- Curious Critters Room measures 29 ft. x 20 ft., providing a total of 580 square feet. Based on 50 square feet per child, the total capacity of this room is 12 children aged birth to 30 months.
- Busy Bees Room measures 29 ft. x 20 ft., providing a total of 580 square feet. Based on 35 square feet per child, the total capacity of this room is 17 children aged 30 months and above. The licensee designee understands that due to the group size requirements, the capacity of this room is 16.
- Learning Lions Room measures 24 ft. x 20 ft., providing a total of 480 square feet. Based on 35 square feet per child, the total capacity of this room is 14 children aged 4 years and above.
- Playful Parrots Room measures 29 ft. x 20 ft., providing a total of 580 square feet. Based on 35 square feet per child, the total capacity of this room is 16 children aged 4 years and above.
- Room 6 (school age room) measures 20 ft. x 20 ft., providing a total of 400 square feet. Based on 35 square feet per child, the total capacity of this room is 11 children aged 5 years and above.
- Room H (school age room) measures 18 ft. x 20 ft., providing a total of 360 square feet. Based on 35 square feet per child, the total capacity of this room is 10 children aged 5 years and above. This room will not be used in the total capacity as it is for extra space only.

- Room I (school age room) measure 19 ft. x 20 ft., providing a total of 383 square feet. Based on 35 square feet per child, the total capacity of this room is 10 children aged 5 years and above. This room will not be used in the total capacity as it is for extra space only.
- The Fellowship Hall measures 77 ft. x 39 ft., providing a total of 3,003 square feet. Based on 35 square feet per child, the total capacity of this room is 86 children 2.5 years of age and older. The maximum capacity for infants to 2.5 years is 12 children. The maximum capacity at one time for children 2.5 years of age to 4 years old is 30 children and the maximum capacity at one time for children 4 to school-agers is 36 children. This room will not count towards the capacity of the center.
- The Chapel measures 18 ft. x 36 ft., providing a total of 648 square feet. Based on 35 square feet per child, the total capacity is 18 children 2.5 years of age and older. Based on 50 square feet per child, the total capacity is 12 children birth to 2.5 years of age. This room will not count towards the capacity of the center.

The total space is sufficient for a total center capacity of 113 children, birth through school aged.

There are at least 8 toilets and at least 8 handwashing sinks located throughout the center. This supports the center's capacity.

The classrooms are furnished with a variety of developmentally appropriate equipment. There is an adequate amount of equipment to support the capacity.

V. Recommendation

I recommend adding the fellowship and the chapel to the facility for child use space.
