The facility is located at 320 E. Grand River, Laingsburg, MI. 48848 and is known at the Laingsburg Early Childhood Center. The license has been modified in 2018 and 2021.

The following rooms are approved for child space:

- Room 117, childcare room is 33 ft. x 19 ft. totally 627 sq. ft. This is sufficient for 17 preschool children ages 4 and 5.

Each classroom has a bathroom containing one sink and one toilet. There is an additional sink and drinking fountain in each room as well. An additional bathroom for boys and girls is located across the hall from each room.

An environmental inspection was completed on 10/05/2020 with an A rating.

The play area is located in a courtyard and is directly accessible from each classroom. The area contains a variety of appropriate child-sized equipment and has a paved sidewalk for bikes and tricycles. The playground is wheelchair accessible.

**V. Recommendation**

I recommend the addition of room 117 and increasing the capacity to 75. Also I recommend removing classrooms 110 and 125 from the license.
