### Findings of the Inspection

A copy of this Interim inspection report and any associated corrective action plans is available on the Child Care Licensing Bureau [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of when interim inspection reports are completed can be found under [Overview of Licensing Reports](#).

The purpose of the Interim inspection was to determine compliance with applicable licensing statutes and administrative rules for child care Center. During the onsite inspection, the children were served chicken nuggets, french fries, and apples. The child care staff members engaged children in conversation by asking open-ended questions such as “what do you like to do when it’s raining outside?”

As a result of the Interim inspection on 11/10/2023, licensing consultant Chimere Simmons did not find any rule or law violations.

If you have any questions regarding the report, please contact licensing consultant, Chimere Simmons, at (248) 881-6044. In the event that Chimere Simmons is not available and you need to speak to someone immediately, please contact the Child Care Licensing Bureau at 517-284-9730.
