Dear Ms. Findlay,

This letter is to advise you that the 5/2/2024 corrective action plan you submitted, regarding each rule violation cited in the recently completed Child Care Follow-up Inspection Case, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
R 400.8161(5)	The center did not complete a fire drill in the first quarter of 2023.	Ms. Findlay will print the logs off and write in the three month quarter periods. She will work with the school in scheduling fire drills in the first quarter of the calendar year.	5/2/2024

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.
