III. DESCRIPTION OF FINDINGS & CONCLUSIONS

This renewal inspection involved a review of all applicable child care center administrative rules and statutes. Verification of compliance included direct observations of the physical environment and the program, discussions with staff, and a review of the center's records, including staff records and children's records. Staff records include background checks and training information. Children's records include child information cards, physical examination dates, and immunizations.

During the inspection, the center was found to be in compliance with all applicable rules and statutes except for the following violations:

R 400.8131 Professional development requirements.

(6) All child care staff members who work directly with children shall complete 16 clock hours of professional development annually on topics relevant to job

responsibilities that include, but are not limited to, any of the following subjects:

- (a) Child development and learning.**
- (b) Health, safety, and nutrition.**
- (c) Family and community collaboration.**
- (d) Program management.**
- (e) Teaching and learning.**
- (f) Observation, documentation, and assessment.**
- (g) Interactions and guidance.**
- (h) Child care center administrative rules.**

REPEAT VIOLATION ESTABLISHED

Renewal Inspection Report Dated 05/11/2021

Corrective Action Plan Dated 05/18/2021

Ms. Findlay completed 4 hours of annual training in calendar year 2021. She stated that she attended a conference yet did not have verification of attendance.

R 400.8173 Equipment.

(8) A current and accurate equipment inventory must be provided to the department before issuance of the original license and updated and made available at each renewal.

The center did not have a current equipment inventory at the time of the renewal.

R 400.8330 Food services and nutrition generally.

(10) Menus must be planned in advance, dated, and posted in a place visible to parents. Food substitutions must be noted on the menus the day the substitution occurs.

The center did not have a snack menu posted.

A corrective action plan was requested and approved on 03/16/2023. It is expected that the corrective action plan be implemented within the specified time frames as outlined in the approved plan. A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.

IV. RECOMMENDATION

I recommend issuance of a regular license to this child care center.
