Dear Ms. Krueger:

This letter is to advise you that the 12/14/2022 corrective action plan you submitted, regarding each rule violation cited in the recently completed Special Investigation Report, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
R 400.8182(3)(a) Ratio and group size requirements.	On 10/21/2022, the center was out of the appropriate Child Care Staff Member (CCSM) to child ratio of 1 CCSM to 4 children when 2 CCSM's cared for 9 children and when 3 CCSM's cared for 13 children. On 10/31/2022, I observed 4 CCSM's care for 14 children, more than the maximum group size of 12.	The center has re-vamped their scheduling and documentation procedures. This will ensure that they do not have too many children too met ratio requirements. The program director and assistant program director will monitor.	10/31/2022

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.

The office provides technical assistance to meet the licensing requirements and consultation to improve services. Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, you may contact the local office at (517) 284-9730.
