Dear Ms. Krueger:

This letter is to advise you that the 06/14/2023 corrective action plan you submitted, regarding each rule violation cited in the recently completed Renewal Licensing Study Report, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
R 400.8131(12) Professional development requirements.	Two child care staff members did not complete the 2021 refresher course in MiRegistry.	The staff were assigned the training but did not complete them. They will be provided deadlines in the future. The staff will complete the training and verification will be provided to the department.	06/28/2023
R 400.8161(7) Emergency procedures.	The center did not maintain a log of completion of the drills in 2022.	The center completed the drills but did not log them. They will do so in the future by writing them on the log as they are completed.	06/14/2023

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.

The office provides technical assistance to meet the licensing requirements and consultation to improve services. Please contact me with any questions. In the event that I am not available, and you need to speak to someone immediately, you may contact the local office at (517) 284-9730.
