Dear Ms. Krueger:

This letter is a follow-up to the unannounced onsite inspection conducted at your center on 01/13/2023. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Child Care Centers.

There were no rule violations.

As a result of the inspection, I did not find any rule or law violations. I observed that all of the rooms were in appropriate child care staff member to child ratios.

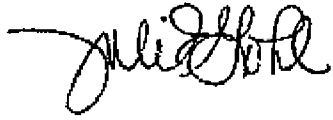

Increased monitoring via unannounced onsite inspections will continue.

You can find a copy of this confirming letter and any associated corrective action plans on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of when confirming letters are completed can be found under [Overview of Licensing Reports](#).

Please contact me with any questions. In the event that I am not available, and you need to speak to someone immediately, please contact the local office at (517) 284-9730.

Per MCL 722.113g, this report and any related corrective action plans must be filed in your Licensing Notebook.

Sincerely,

A handwritten signature in black ink, appearing to read "Juli Gohl". The signature is fluid and cursive, with a long horizontal stroke extending to the left.
