	table resulting in a red mark on her forehead.		
R400.8155 (1)(b) Child accidents and incidents child and staff illness.	Child Care Staff Member 1 did not ensure that the diapering supplies were within reach before placing Child A on the diaper changing table.	Accident reports will be written up for all bumps, bruises and cuts or scrapes that draw blood. Parents will be notified of all accidents with a report to be signed and kept on file at the center.	07/06/2023

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.

The office provides technical assistance to meet the licensing requirements and consultation to improve services. Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, you may contact the local office at (517) 284-9730.

Sincerely,
