Dear Ms. Wasielewski:

This letter is to advise you that the 02/28/2023 corrective action plan you submitted, regarding each rule violation cited in the recently completed Renewal Licensing Study Report, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
400.8152(5) Medication; administrative procedures.	Medication was stored in the infant classroom that expired in September of 2022 and wasn't discarded or returned to the parents.	Ms. Wasielewski will ensure the expired medication is sent home with the parents today. She will also check the medication baskets monthly to make sure medications are up to date.	02/28/2023

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license
