Dear Mrs. Anderson:

This letter is a follow-up to the Department’s findings regarding the interim inspection conducted at your center on 04/29/2022. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Child Care Centers.

As a result of the inspection, I did not find any rule or law violations.

During the on-site inspection, children were observed engaging in a variety of developmentally appropriate activities, as well as outdoor play. They were also observed eating lunch. The facility is equipped with a variety of developmentally appropriate equipment. The child care staff member and child interactions were very nurturing and positive.

<b>During calendar year 2021:</b>	<b>Total</b>
Number of serious injuries that occurred in facility.	<b>0</b>
Number of deaths that occurred in the facility.	<b>0</b>
Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility.	<b>0</b>
