Dear Ms. Blanchard:

This letter is to advise you that the corrective action plan you submitted, regarding each rule violation cited in the recently completed Special Investigation Report, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
R400.8125 (1) Staff; volunteer; requirements.	Appropriate and care and supervision was not provided for Child A (male, 19 months) when Child Care Staff Member 2 held Child A by the hands and swung him around causing his elbow to be partially dislocated resulting in Nursemaid elbow.	Staff are reminded of the proper way to pick up children to avoid Nursemaid elbow. Information on Nursemaid elbow will be provided at orientation for new staff.	April 24, 2023 Ongoing

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.

The office provides technical assistance to meet the licensing requirements and consultation to improve services. Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, you may contact the local office at (517) 284-9730.

Sincerely,
