Dear Ms. Freund,

This letter is to advise you that the 2/7/2024 corrective action plan you submitted, regarding each rule violation cited in the recently completed Child Care Case Complaint, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
R 400.8125(1)	While on the playground Child A and Child B wandered from the toddler area and were unsupervised on the infant area.	A temporary barrier was placed from the building to the fence to block the gap. Child Care Staff Members will view CCLB slideshow on appropriate care and supervision. Name to face recognition will be implemented for head counts during transitions and while outside.	2-7-2024

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.
