Dear Ms. Benson:

This letter is a follow-up to the Department's findings regarding the interim inspection conducted at your center on 01/27/2022. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Child Care Centers.

The violations that were found are:

**R 400.8143 Children's records.**

(3) For children under school-age, at the time of a child's initial attendance, a center shall obtain, keep on file, and make accessible in the center 1 of the following:

(a) A certificate of immunization showing a minimum of 1 dose of each immunizing agent specified by the department of health and human services (DHHS).

(b) A copy of a waiver addressed to DHHS and signed by the parent stating immunizations are not being administered due to religious, medical, or other reasons.

Two out of the ten children's files reviewed were missing immunizations records.

**R 400.8143 Children's records.**

(6) Within 30 days of a child's initial attendance, a center shall obtain, keep on file, and make accessible in the center a record of a physical evaluation of the child that notes any restrictions and is signed by a physician or the physician's designee. An electronic record from a physician's office will be accepted. The physical evaluation must be performed within 1 of the following time limits:

- (a) For an infant, within the preceding 3 months.
- (b) For toddlers, within the preceding 6 months.
- (c) For preschoolers, within the preceding 12 months.

Three out of the ten children files reviewed were missing physical evaluations for children that have been attendance for longer than 30 days.

On 1/27/2022, you gave us an acceptable written corrective action plan.
