## IV. Description of Findings and Conclusions

The terms of the original license have been modified on February 10, 2021.

The center has a total of six rooms for child care use.

The five following rooms are located on the northwest side of the building:

- **Room 1 (Infant Crib Room)** is 12ft. x 12 ft., providing a total of 144 square feet. This room accommodates a total of 3 children 0-12 months of age at 50 square feet.
- **Room 2 (Infant Activity Area)** is 14ft. x 13ft., providing a total of 182 square feet. This room accommodates a total of 4 children 0-12 months of age at 50 square feet. This room is adjacent to Room One and functions as an activity area for the infants in Room One and does not function as a self-contained classroom.
- **Room 3 (Multipurpose Room)** is 25ft. x 28ft., providing a total of 700 square feet. At 50 square feet the capacity of this room is 14. At 35 square feet the capacity of this room is 20. This is a large open area that will be used for mixed ages 0-12 years old. This room will be utilized for breakfast, snacks, school-age. The maximum group size for preschool age children 30 months until 3 years old is 16. Licensee understands that per child care licensing rule 400.8182(7), when there are children of mixed ages in the same room or well-defined space then the ratio and group size is determined by the age of the youngest child.

- **Room 4(Pre-K Room)** is 16ft. x 21ft., providing a total of 346 square feet the capacity of this room 10 children at 35 square feet. This classroom will be utilized for children 3-4 years of age.
- **Room 5 (Toddler Room)** is 16ft. x 21ft., providing a total of 346 square feet the capacity of this room is 10 children at 35 square feet. At 50 square feet the capacity of this room is 7 children. This classroom will be utilized for children 2 ½ -3 years of age.

The following room is located on the northeast of the building and was measured on 12/2022, to be added to the additional child use space:

- **Room 6 (Walker Room)** is 25ft. x 22ft., is providing 550 square feet the capacity of this room 11 at 50 square feet. The classroom be utilized for children 12 months- 2 years of age.

The total space is sufficient for a total center capacity of 41 children, 0 through 12 years of age.

There are a total of 4 hand washing sinks and 3 toilets available for child use. This supports the center's capacity.

The classrooms are furnished with a variety of developmentally appropriate equipment. There is an adequate amount of equipment to support the center's capacity.

On 11/07/2022, an environmental health inspection was completed, which included the newly added room. On 11/29/2022, a fire inspection was completed, which also included the newly added room. A lead risk assessment was completed on 02/09/2018.

Terms:

The center is approved for a total capacity of 41 children 0 months through 12 years of age.

The center provided hot food service. The center does not provide transportation or swimming.

**V. Recommendation**

I recommend the use of rooms 1, 2, 3,4,5 and 6.
