- R400.8170(11) Outdoor play area

You gave us an acceptable written corrective action plan. We will send you a regular license in the mail.

During calendar year 2021:	Total
Number of serious injuries that occurred in facility.	0
Number of deaths that occurred in the facility.	0
Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility.	0

Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, please contact the local office at (517) 284-9730.

Per MCL 722.113g, this report and any related corrective action plans must be filed in your Licensing Notebook.

Sincerely,

III. DESCRIPTION OF FINDINGS & CONCLUSIONS

This renewal inspection involved a review of all applicable child care center administrative rules and statutes. Verification of compliance included direct observations of the physical environment and the program, discussions with staff, and a review of the center’s records, including staff records and children’s records. Staff records include background checks and training information. Children’s records include child information cards, physical examination dates, and immunizations.

During the inspection, the center was found to be in compliance with all applicable rules and statutes except for the following violations:

The two assigned lead caregivers for the Infant classroom and Toddler classroom do not meet the academic requirements to be qualified as a lead child care staff member.

R 400.8170

Outdoor play area.

(11) The playground equipment, use zones, and surfacing in the outdoor play area must be inspected by a certified playground safety inspector and an approval granted for playground equipment and areas used before issuance of an original license, upon request of the department, and before using any newly added playground equipment. The center shall provide documentation of the inspection to the department upon request and shall keep it on file at the center.

A playground inspection was not completed for the new equipment added to the playground.

A corrective action plan was requested and approved on 12/20/2022. It is expected that the corrective action plan be implemented within the specified time frames as outlined in the approved plan. A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.

IV. RECOMMENDATION

I recommend issuance of a regular license to this child care center.
