The total space is sufficient for a total center capacity of 266 children, 0-12 years of age.

There is a total of 25 hand washing sinks and 25 toilets available for child use. This supports the center's capacity.

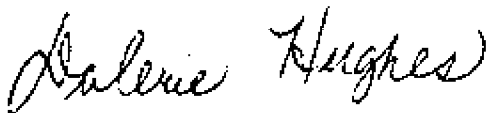

On August 26, 2022, an environmental health inspection was completed. On August 19, 2022, a fire inspection was completed by the Bureau of Fire Safety.
