### Findings of the Inspection

**Purpose of Addendum:** Licensee Designee requested to switch rooms for the Infants back to the previous Pink toddler room. It was also requested to combine the Green and Red toddler room into one room.

**Findings and Conclusions:** I recommend combining Red and Green Rooms to one room which is now named Red Room. I also recommend the room switch and change of use space for the Infant Room and Toddler Pink Room.

If you have questions regarding the report, please contact licensing consultant, Dalerie Hughes at (734) 660-7987 or hughesd10@michigan.gov. ### Description of Facility

The child care center is a two story building in Saline, Michigan. The child care center operates on the first floor of the building.

**Approved Child Use Space**

The licensee/ licensee designee understands that the ratio of child care staff member to children and the maximum group size is determined by the youngest child in the room. Equipment in the room must be appropriate for the ages of the children in the room.
