Dear Ms. Peck:

This letter is to advise you that the 05/25/2023 corrective action plan you submitted, regarding each rule violation cited in the recently completed Special Investigation Report, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
R400.8125(1) Staff; volunteer; requirements	Child Care Staff Member 1 and Child Care Staff Member 3 did not provide appropriate care and supervision on the playground when they did not have a global view and Child A was on the play structure with her pants pulled down while Child B was standing over her.	Licensee Designee Victoria Peck retrained staff on playground supervision. The playground schedule was revised to require classrooms to return inside by 4:30 p.m.	4/14/23 and 4/24/23

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.

The office provides technical assistance to meet the licensing requirements and consultation to improve services. Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, you may contact the local office at (517) 284-9730.

Sincerely,
