Dear Ms. Mitchell:

This letter is to advise you that the 02/21/2022 corrective action plan you submitted, regarding each rule violation cited in the recently completed Interim Inspection Report, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
R 400.8112(2)(e) Comprehensive background check; fingerprinting.	All staff members were connected in the system. This violation was entered in error.	All records were up to date and complaint. The staff member had two entries one was connected, and one was disconnected. Director will continue to monitor and update status records. All early childhood employees are up to date in the system.	2/16/2022
R 400.8131(12) Professional development requirements.	One out of five staff files reviewed had one staff member that had not completed the health and safety refresher for 2021.	Staff will complete prior year refresher. The director will send additional notices to all staff so that they maintain up to date training based on calendar year training renewals.	3/16/2022

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.
