RE: License #: DC820016995
Bethany Day Care Center
810 E Huron River Drive
Belleville, MI 48111

Dear Ms. Losen:

This letter is a follow-up to the Department's findings regarding the interim inspection conducted at your center on 01/07/2022. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Child Care Centers.

The violations that were found are:

R 400.8131 Professional development requirements.

(12) When the department of licensing and regulatory affairs or the department of education publishes a notice that a new health and safety update document or a new health and safety update training activity has been published on MiRegistry, the licensee shall ensure that all personnel read and acknowledge the document or complete the activity within 6 month of the notice.

The licensee did not ensure that all personnel completed the 2021 refresher health and safety training by 11/05/2021. On 01/07/2022, the 14 child care staff members had not completed the training.

On 01/07/2022, you gave us an acceptable written corrective action plan.

During calendar year 2021:	Total
Number of serious injuries that occurred in facility.	0
Number of deaths that occurred in the facility.	0
Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility.	0

You can find a copy of this inspection letter and any associated corrective action plans on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of when inspection letters are completed can be found under [Overview of Licensing Reports](#).

Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, please contact the local office at (517) 284-9730

Per MCL 722.113g, this report and any related corrective action plans must be filed in your Licensing Notebook.

Sincerely,
