Dear Ms. Westerdale:

This letter is a follow-up to the Department's findings regarding the interim inspection conducted at your center on 06/15/2022. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Child Care Centers.

As a result of the inspection, I did not find any rule or law violations.

During the onsite inspection, I observed child care staff members providing appropriate care and supervision. Consultation was provided on maintaining required postings in an easily accessible area, reviewing health and safety refresher courses completion for all child care staff members. Review child care background check (CCBC) account for accuracy.

During calendar year 2021:	Total
Number of serious injuries that occurred in facility.	0
Number of deaths that occurred in the facility.	0
Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility.	0

You can find a copy of this inspection letter and any associated corrective action plans on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of when inspection letters are completed can be found under [Overview of Licensing Reports](#).
