Dear Ms. Haney-Jones:

This letter is to advise you that the 01/31/2023 corrective action plan you submitted, regarding each rule violation cited in the recently completed Renewal Licensing Study Report, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
R 400.8128	One of five child care staff members did not have verification of TB status on file at the center. Licensee designee stated that TB was completed and that she will ask for a copy of the results to place in the staff file. R 400.8131(6)	Four of five child care staff members had not completed 16 clock hours of professional development training for years 2021 and 2022.	Licensee designee has ensured that all child care staff members will complete missing 16 clock hours for years 2021 and 2022.	As soon as possible

R 400.8143(6)	Five of 13 children records did not have physical evaluations on file at the center.	Licensee designee has ensured that missing physical evaluations will be added to the children files.	2/28/2023
