Dear Ms. Hood:

This letter is to advise you that the 06/22/2022 corrective action plan you submitted, regarding each rule violation cited in the recently completed Renewal Licensing Study Report, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
R 400.8128 Staff; volunteer; tuberculosis.	One of twelve staff did not have documentation on file at the center evidence to verify that she was free from communicable tuberculosis.	In the future, licensee designee will ensure that there is documentation on file at the center of evidence to verify that all staff are free from communicable tuberculosis.	06/15/2022
R 400.8131(12) Professional development requirements.	Four of twelve staff did not have documentation that 2021 health and safety refresher training was completed.	Licensee designee will ensure that all staff have documentation on file or Miregistry of refresher trainings when a new one has been published.	06/15/2022

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.

The office provides technical assistance to meet the licensing requirements and consultation to improve services. Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, you may contact the local office at (517) 284-9730.

Per MCL 722.113g, this report and any related corrective action plans must be filed in your licensing notebook.

Sincerely,
