III. DESCRIPTION OF FINDINGS & CONCLUSIONS

This renewal inspection involved a review of all applicable child care center administrative rules and statutes. Staff records include background checks and training information. Children's records include child information cards, physical examination dates, and immunizations.

The facility is in compliance with all applicable rules and statutes.

I provided consultation on lead caregiver required training/education and official transcripts in staff files. I also provided consultation on adding the licensing notebook notification to registration forms.

IV. RECOMMENDATION
