Dear Mrs. Mattea:

This letter is a follow-up to the Department’s interim inspection conducted at your center on 05/22/2023. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Child Care Centers.

During the on-site inspection, I reviewed required records and observed children in care engaged in circle time activity. They were excited and waiting for the bus to arrive for a field trip to the Detroit Zoo. The childcare staff members’ interactions with the children were positive and nurturing.

As a result of the inspection, I did not find any rule or law violations. The room was clean and all required records were available for review.

The district is not maintaining the child care background check (CCBC) system. Former staff have not been disconnected and Ms. Jordan (formerly Harris) name change is not updated in the database. Please correct.

During calendar year 2022:	Total
Number of serious injuries that occurred in facility.	0
Number of deaths that occurred in the facility.	0
Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility.	0

You can find a copy of this inspection letter and any associated corrective action plans on our website under Statewide Search for Licensed Child Care Centers and Homes. A description of when inspection letters are completed can be found under Overview of Licensing Reports.
