RE: License #: DC820018955  
**St Valentine Latchkey Program**  
**25800 Dow**  
**Redford, MI 48239**

Dear Mrs. Damuth:

This letter is a follow-up to the Department’s findings regarding the interim inspection conducted at your center on 05/08/2023. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Child Care Centers.

There were no rule violations. During the onsite inspection, there were 16 children present in the latchkey program. I observed their outdoor play time. Ms. Rachel ensures children’s safety while on the playground. The center uses walkie talkies to know where the children are always and when they are picked up by their parents. In addition to outdoor play time, the children receive homework help and have snack after school. The children shared how they were preparing for their upcoming field trip to Greenfield Village. They saw pictures of what they might see during their trip. The children also shared their math experiences with me. They use 3-dimensional cubes as well as use bowling to understand subtraction. Today, they had enchiladas, cantaloupe, grapes, and milk for lunch.

As a result of the inspection, I did not find any rule or law violations.
