Dear Ms. Boone:

This letter is to advise you that the 10/14/2022 corrective action plan you submitted, regarding each rule violation cited in the recently completed Special Investigation Report, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
R 400.8125.	A child was sent home without having on under garments to cover her private areas.	Center staff were retrained on toileting procedures to ensure they are wearing clothing to cover their private parts.	08/01/2022 and ongoing
R. 400.8143	A review of attendance records revealed children's arrival and departure times were not consistently documented.	The center will begin documenting arrival and departure times. The center manager will monitor for completion	Immediate and ongoing

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.

The office provides technical assistance to meet the licensing requirements and consultation to improve services. Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, you may contact the local office at (517) 284-9730.

Per MCL 722.113g, this report and any related corrective action plans must be filed in your licensing notebook.

Sincerely,
