IV. Description of Findings and Conclusions

The terms of this license were modified on 9/13/2021 and 9/1/2022.

The tuition based pre-school is moving to room 38.

Room 38 measures approximately 29 ft. x 29 ft. totaling 841 square feet and can accommodate up to 25 pre-school children. The licensee requests a capacity of 16.

There is one toilet and 2 sinks located in the classroom. There are additional toilets and sinks located in the hallway.

There are no other changes

A tuition based pre-school classroom was added to the license. They will be in room 27.

Room 27 measures approximately 39 ft. x 22 ft. totaling 858 square feet and can accommodate up to 25 preschool children.

There are four sinks and four toilets located right outside the classroom. There is an additional handwashing sink located in the classroom.

There is an adequate supply of age and developmentally appropriate equipment for the children to use.

There is an outdoor playarea located on the school's ground. It is partially fenced and surrounded by natural barriers.

This program operates Monday – Friday from 7:00 a.m. to 6:00 p.m. Full and part time sessions are available.

The program provides two meals and a snack.

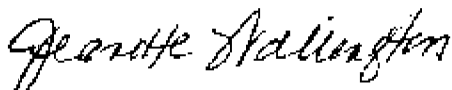

There is no transportation or swimming.

The program director is Rachel Stewart. She qualifies as director under rule R400.8113(7)(a) and (9).

V. Recommendation

I recommend the license be modified to add room 38 and remove room 27.

I recommend the license be modified to include the preschool classroom and the before and after school program be removed. The capacity of the facility be reduced to 16 children.
