### Findings of the Inspection

A copy of this Interim inspection report and any associated corrective action plans is available on the Child Care Licensing Bureau [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of when interim inspection reports are completed can be found under [Overview of Licensing Reports](#).

The purpose of the Interim inspection was to determine compliance with applicable licensing statutes and administrative rules for child care Center.

As a result of the Interim inspection(s) on 3/20/2024, licensing consultant Laura Piacentini did not find any rule or law violations.

On 3/20/2024, during my onsite inspection, I observed all three classrooms. In two classrooms I observed rest time where children were either sleeping on their cots or playing quietly with their blankets, pillows or stuffed animals. In the third classroom I observed children participating in a large

group activity on the rug. Children were drawing with dry erase boards. Children then transitions to getting ready for rest time. Before rest time, the classroom did a tornado drill. Children lined up and walked out into the hallway where they practiced sitting on the floor and covering their heads.

If you have any questions regarding the report, please contact licensing consultant, Laura Piacentini, at (313) 269-5879. In the event that Laura Piacentini is not available, and you need to speak to someone immediately, please contact the Child Care Licensing Bureau at 517-284-9730.
