RE: License #: DC820094434

RE: SI LOG #: **Angel Land Center of Hope**
8642 Linwood
Detroit, MI 48206

Dear Ms. Henderson:

This letter is to advise you that the 02/17/2022 corrective action plan you submitted, regarding each rule violation cited in the recently completed Renewal Licensing Study Report, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
R 400.8128 Staff; volunteer; tuberculosis.	One out of five staff records reviewed did not contain verification of TB status.	Licensee and program director have reviewed all the staff files. All staff in need of a TB test have been notified and given 30 days to get the test done. They will not be allowed on the premises until they have received a negative test. Going forward all staff will have a TB test completed before caring for kids. The center manager will conduct an annual review of all employee records.	3/17/2022
R 400.8131(5)	Five out of five staff records reviewed had not completed	Licensee and program director have reviewed all the staff files.	2/28/2022

Professional development requirements.	the health and safety refresher for either 2020 or 2021.	All staff have been informed of their required health and safety courses. All have been given a timeframe by Director/Owner to get their individual professional development plan completed.	
R 400.8131(6) Professional development requirements.	Two out of five staff records reviewed had not completed the required trainings.	Licensee and program director have reviewed all the staff files. All staff have been given a timeframe to complete the required annual training hours on MiRegistry.	9/1/2022
R 400.8131(12) Professional development requirements.	Three out of five staff records reviewed had staff members who did not have proof of completion of 16 hours of professional development in a calendar year.	Licensee and program director have reviewed all the staff files. Staff have been given documentation of needed updates. Director has registered all staff who need refreshers for 2020, 2021, and 2022.	2/28/2022
R 400.8143(6) Children's records.	Five out of ten children's files reviewed had physicals missing or not completed in the required time frames.	Licensee and program director have reviewed all the children's files. All children's files that need updated physicals have had the parents notified. Follow ups will be conducted to ensure parents meet to deadline. Children's records will be reviewed every 90 days to ensure compliance.	3/1/2022
R 400.8146(2) Information provided to parents.	One out of ten children's files reviewed were missing the written documentation that parents received the information packet.	Licensee and program director have reviewed all the children's files. Form BCAL-4340 will be signed by any parent missing it. All newly enrolled children will have it completed before attending.	2/18/2022
R 400.8335(8)(a) Food services and nutrition; provided by center.	The Silk milk in the kitchen refrigerator was not labeled with the date opened and the Almond milk in the infant refrigerator was not labeled with the date opened.	As of 1/31/2022, all containers will be dated at the time of opening. Daily monitoring will be completed by the kitchen staff and teachers.	1/31/2022
R 400.8730(2)(a) Safety equipment in motor vehicles.	The bus did not contain any of the required safety items.	Required safety equipment for the bus have been purchased and placed on the bus. The bus will	2/4/2022

		be monitored and maintained monthly by the director.	
--	--	---	--

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.

The office provides technical assistance to meet the licensing requirements and consultation to improve services. Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, you may contact the local office at (517) 284-9730.

Sincerely,

Paris Howard, Licensing Consultant
