Dear Kimberly Sanders,

This letter is to advise you that the 10/25/2023 corrective action plan you submitted, regarding each rule violation cited in the recently completed Child Care Special Investigation Case, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
R 400.8182(7)	During the onsite visit, there was 1 caregiver present with 7 children of mixed age group. CCSM1 said she is often left alone with up to 7 children of mixed age groups.	The program director will ensure that appropriate ratios are maintained at all times. Ms. Sanders understands that the child's age determines the ratio. Ms. Sanders will hire more staff and monitor classrooms for ratio compliance. Ms. Sander will also not accept any children if she does not have enough staff to ensure compliance with ratio.	08/07/2023

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.
