RE: License #: DC820262366  
Child Star Development Center  
10340 W. Seven Mile Road  
Detroit, MI 48221

Dear Ms. Lomax:

This letter is to advise you that the 07/15/2022 corrective action plan you submitted, regarding each rule violation cited in the recently completed Renewal Licensing Study Report, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
R 400.8128 Staff; volunteer; tuberculosis.	Two of eight staff files reviewed did not have documentation on file at the center to verify that they were free from communicable tuberculosis.	The licensee will ensure that all staff provide documentation of tb test results when hired and place copies of documentation on file at the center.	July 13, 2022

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.

The office provides technical assistance to meet the licensing requirements and consultation to improve services. Please contact me with any questions. In the event

that I am not available and you need to speak to someone immediately, you may contact the local office at (517) 284-9730.

Per MCL 722.113g, this report and any related corrective action plans must be filed in your licensing notebook.

Sincerely,

A handwritten signature in cursive script that reads "Janeiro Byrd".
