RE: License #: DC820272035
Bennett School

Dear Mrs. Mattea:

This letter is a follow-up to the Department’s findings regarding the interim inspection conducted at your center on 03/21/2022. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Child Care Centers.

There were no rule violations. During the onsite, I observed positive child/caregiver interactions. The center is equipped with a variety of developmentally appropriate materials for children to use. I provided technical assistance on children’s and staff records. I provided consultation on emergency plans and the licensing board.

During calendar year 2021:	Total
Number of serious injuries that occurred in facility.	0
Number of deaths that occurred in the facility.	0
Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility.	

You can find a copy of this inspection letter and any associated corrective action plans on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of when inspection letters are completed can be found under [Overview of Licensing Reports](#).
